

Welcome to Church

FROM THE PASTOR
 Hello! We are so glad you chose to worship with us today. Grace has a huge vision to impact your life, your family, and our world by building communities that make disciples. Today we invite you to engage in worship of almighty God through music & teaching from His Word. Please check out our discipleship ministry - either our Sunday Morning or Midweek small groups - and find a place you can connect on an even deeper level with God, and our family! If this is your first time here, be sure to stop by the Grace Central table at the back of the sanctuary and ask for a "New Guest Packet." It contains information about our church, and a small gift just to say "thanks" for being here today!
